## ABOUT US
关于我们

我们是由 **Malaysia Digital Economy Corporation (MDEC)**认证的 **Digital Maker Hub** 专注于提供专业的青少年科技编程创新培育机构.

我们应用为不同年龄段的学生从6岁到成年人的定制课程, 配合互动与学习一体的创新教学，启发学员们对科技的热情和动力。学生们将释放他们的创造力来开发他们的作品，并掌握未来必要的科技技能!

We are a **Digital Maker Hub** certified by the **Malaysia Digital Economy Corporation (MDEC)**, focusing on cultivating and enhancing the technological creativity of the young generation in Malaysia. Our courses are designed for students starting from the age of six to working adults.

With our interactive teaching method, students are taught to be problem solver and unleash their creativity to develop their digital masterpieces. Most importantly they will be equipped with the most demanding skill set for their future!
